Roongta Developers Celebrates the Birthday of Mr. Ankit Roongta

Roongta Developers celebrated the birthday of Managing Director Mr. Ankit Roongta with a special gathering at the office. The celebration began with a grand welcome, followed by a cake-cutting ceremony with the team. Employees then came together for a team lunch, making the occasion a memorable one. The celebration brought the team together to mark the special day and share a moment of togetherness beyond the workplace.

Smart Society. One Platform.

TechVizor's Smart Society App brings several day-to-day society management services together on a single platform. The application covers visitor requests, parking management, complaint management and SOS emergency alerts, enabling residents and management teams to handle routine requirements digitally. The platform is designed to support smoother communication, better coordination and more organised management across residential communities.

Bulk WhatsApp. Wider Reach.

TechVizor's Bulk WhatsApp Marketing solution helps businesses manage customer communication at scale through personalised messaging campaigns. The platform enables businesses to reach larger audiences, improve customer engagement and generate leads through targeted communication. By combining personalised outreach with mass messaging capabilities, the solution supports businesses in strengthening customer connections and creating more opportunities for growth.

People & Community First.

Roongta Group has highlighted its commitment to creating a better future by focusing on people, community, and long-term development. The group emphasises caring for individuals, contributing to the communities it serves, adopting future-ready thinking, and building stronger relationships. These priorities reflect the organisation's approach towards creating positive and lasting impact through its ongoing efforts

Integrity. Collaboration. Innovation.

Roongta Group has highlighted four core values that guide its approach to business and growth — Integrity, Accountability, Collaboration, and Innovation. The group emphasises transparency, responsibility, strong relationships with clients and stakeholders, and a continuous focus on improvement. These values reflect the principles that guide the organisation's work and its approach to creating long-term value. This keeps it news-like, factual, and less promotional, while staying close to the original information.
