Roongta Industrial Estate Phase 2 Focuses on Planned Industrial Infrastructure

Roongta Industrial Estate – Phase 2 is designed to provide businesses with a well-planned industrial environment at Sachin–Palsana Road, near Bhatia Toll Plaza, Surat. The project offers industrial plots measuring 42 × 130 ft., along with a CETP facility, on-site worker accommodation and business support facilities. Government subsidies are also available, making the development an option for businesses looking to establish or expand their industrial operations.

Industrial: Strategic Business Connectivity

Roongta Express Industrial brings premium industrial plots to a strategic location near the Mumbai–Delhi Expressway, at Galuda, Palsana Chokdi, Surat. Designed to support industrial and business expansion, the development offers plots measuring 21 × 130 ft. with planned infrastructure and connectivity. With ready possession, the project provides businesses an opportunity to establish their operations in a location positioned for long-term growth

Smarter Everyday Business Choices

Building a successful business goes beyond major milestones and strategic plans. It is shaped by everyday decisions that influence quality, people, customer experience and execution. Through this message, Roongta Group highlights how consistent attention to these fundamentals contributes to business growth and long-term success, reinforcing the importance of making every decision count.

One Vision, Diverse Businesses.

Roongta Group has established its presence across multiple sectors, bringing together businesses in real estate, entertainment, technology, media, social initiatives and gaming. With brands such as Roongta Developers, Roongta Cinemas, TechVizor, Rashtriya Samachar, Roongta Foundation and FizzyFox, the group represents a diverse business ecosystem driven by a common vision of growth, innovation and value creation.

TechVizor Talent X Workforce Simplified.

TechVizor's Talent X HRMS brings essential human resource operations together on a single platform, helping businesses manage their workforce more efficiently. The solution integrates attendance, leave management, payroll, employee data and HR reports, reducing paperwork, follow-ups and manual processes. It enables HR teams to streamline everyday operations and focus more on people and productivity.
